

令和7年文化財防火デー

昭和24年1月26日に奈良県にある法隆寺金堂壁画が焼損したことから、1月26日を「文化財防火デー」と定め、この日を中心として文化財を火災、地震その他の災害から守るため全国的に文化財防火運動が展開されています。地域住民の皆さんとともに文化財愛護思想の高揚を図るために国指定重要文化財「服部家住宅」(弥富市荷之上町)の協力のもと消防訓練、防火診断等を行いました。

令和7年1月26日(日) 服部家住宅

市長挨拶	防火診断(予防課)
 A photograph showing a group of men in uniform, including a mayor in a dark suit, standing in front of a traditional Japanese building with a thatched roof. A sign in the background reads '文化財防火デー' (Cultural Heritage Fire Day).	 A photograph showing two men in fire department uniforms inspecting an electrical panel inside a building. One man is pointing at the panel while the other looks on.
防火診断(中部電力パワーグリッド株式会社)	防火診断(あいち海部農業協同組合)
 A photograph showing a firefighter in full gear working on an electrical panel. The firefighter is wearing a green jacket and a white helmet.	 A photograph showing a firefighter in a blue uniform and white helmet inspecting a gas cylinder or similar equipment outside a building.
消防訓練	
 A photograph showing a group of people, including firefighters and residents, gathered outdoors for a fire training exercise. There are fire extinguishers on the ground.	 A photograph showing firefighters in full gear practicing with a high-pressure water hose in front of a traditional Japanese building.
